Our Legacy:

Founded in 1993, BAPL (Baweja Automotive Pvt. Ltd.) has evolved from a regional operator into a pan-India logistics powerhouse. Under the leadership of Mr. Rohiet Baweja—Director of ARL and a veteran with 25+ years in white goods and transportation (home appliances), the company has built a strong legacy of trust, quality, and innovation.

Leadership:

Our visionary founder, **Mr. Rohiet Baweja**, brings over two decades of logistics expertise. Under his leadership, Baweja Automotive Private limited has partnered with multinational clients, including Whirlpool, Maersk, and Godrej.

Mission & Vision:

Mission: To optimise supply chains, reduce costs, and deliver reliable, efficient logistics with cutting-edge technology.

Vision: To be India's most trusted and innovative logistics partner — delivering excellence in every mile.
